See your Summary of Benefits for a complete list of eligible chronic conditions and coverage criteria. For more information, please call Member Services.

TAKE A LOOK AT THESE PLAN HIGHLIGHTS

See clearly with your SCAN vision benefit

Have your vision checked every year at an EyeMed vision provider—then spend your allowance on your choice of prescription eyewear, whether glasses or contacts.

The in-home care you need, when you need it

Whether you're just out of the hospital, had a knee or hip replaced, or need help with daily activities, SCAN is here with care, support and even meals.

A flex card to spend on what you need most

Use the SCAN FlexEssentials card at local stores to buy over-the-counter items. And, members who qualify can also use it for groceries and utility payments.

A dental allowance to spend where and how you want

Preventive care doesn't count toward your allowance, so you can spend it on the procedures that matter most to you, including implants and dentures, with coverage in and out of network.

A BETTER MEDICARE EXPERIENCE

SCAN was founded by seniors, for seniors in 1977.

Since then, we've become an award-winning Medicare Advantage plan -with a difference.

We're proudly nonprofit.

We don't have shareholders we have to please.

Instead, we have members looking to us to give them a better Medicare experience.

One that's based on quality, senior-focused care and award-winning service. That's our commitment to you.

We look forward to showing you the SCAN difference.

VillageHealth (HMO-POS C-SNP) is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal. You must continue to pay your Medicare Part B premium. Other providers and pharmacies are available in SCAN Health Plan's network.

Please refer to your Summary of Benefits for more details about all the benefits and services you get with your Medicare Advantage Plan. If you have any questions, just call us. An authorized SCAN representative will be happy to help you.

You won't pay more than \$35 for a one-month supply and no more than \$105 for a three-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible. Most adult Part D vaccines are covered by our plan at no cost to you, even if you haven't paid your deductible. For more information, please refer to your "Drug List" (Formulary). If you have questions about the Drug List, you can also call Member Services. Prescription copay/coinsurance may vary by plan, county, pharmacy type (e.g., Preferred or Standard, etc.), day supply, Part D benefit phase, or in members who receive "Extra Help." You can fill your prescriptions at any of our network pharmacies, but you may pay less at a Preferred pharmacy. Check your Evidence of Coverage or call Member Services for details (phone numbers for Member Services are printed on the back cover of your Evidence of Coverage). Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations.

You can get prescription drugs shipped to your home through our network mail-order delivery program. Express Scripts PharmacySM is our Preferred mail-order pharmacy. While you can fill your prescription medications at any of our network mail-order pharmacies, you may pay less at the Preferred mail-order pharmacy. Typically, you should expect to receive your prescription drugs within 14 days from the time that Express Scripts mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact VillageHealth's Member Services. For your mail-order prescriptions, you have the option to sign up for an automatic refill program by contacting Express Scripts Pharmacy at 1-866-553-4125, 24 hours a day, 7 days a week. TTY users call 711. You may opt out of automatic deliveries at any time.
